

## AT&T Connect Participant Connection Instructions:

### TO CONNECT WITH A COMPUTER:

=====

Click here to join the STAARS Budgeting Outreach for postsecondary institutions:

<https://alwebconf.uc.att.com/alabama/meet/?ExEventID=835385>

You can then choose to dial in (details below) or connect using your computer's microphone and speakers, if you are familiar with this method. (Because every computer is different, we cannot provide instructions for this audio connection method).

### **NOTE:**

#### FIRST TIME ATTENDING AN iMEETING?

Download the PARTICIPANT App 15 mins prior to iMeeting. You MUST have download privileges to do this step.

If not, there are two choices:

- Contact your IT Depart for assistance in downloading the application
- Select WEB PARTICIPANT (There are feature limitations with this app)

### TO CONNECT WITH \*TELEPHONE ONLY\* (no computer):

=====

1. Dial the number of the location closest to you:

\* US Local: 1- 713-353-0212 (Toll Free: No)

\* US Toll Free: 1-888-822-7517 (Toll Free: Yes)

2. When Prompted, enter: 835385#

3. While connected:

- To mute/unmute your phone, press \*6.

- To learn other telephone commands, press \*9.
